TOWN OF SPRUCE PINE 2020-2021 BUDGET BUDGET MESSAGE

I hereby present this recommended budget for the 2020-2021 fiscal year to the Town of Spruce Pine Town Council.

The budget was prepared in accordance with G.S. 159-17, the North Carolina Local Government Budget and Fiscal Control Act. All funds within the proposed budgets are balanced, and all revenues and expenditures are identified for the fiscal year 2020-2021. The budget is presented with no changes in the current ad valorem tax rate, and a minor increase in sewer rates.

For 2020-2021, a conservative approach was used in preparing projections for all statewide revenue sources: Beer and Wine Tax, Utility Franchise Tax, and Sales & Use Tax. The Town has developed a conservative budget that seeks to maintain current service levels, while also addressing infrastructure needs to maintain our current assets to allow for prolonged use and efficiency. This budget takes into consideration a potential 12.5% sales tax decrease dependent upon how much COVID-19 effects this revenue.

The proposed budget for the General Fund is approximately 1.2% more than the 2019- 2020 fiscal year. This is primarily due to the Town obtaining a loan to purchase 2 maintenance and 2 police vehicles, and the Town's contribution to the DOT Pedestrian Bridge Project. The FY 2020-2021 budget reflects anticipated revenues and expenditures in the General Fund of \$2,436,103.00. The revenue side of the General Fund budget reflects a tax base of approximately 240.3 million. I am pleased to recommend no change in the property tax rate. The proposed ad valorem tax rate for the 2020-2021 fiscal year is 51 cents per \$100 valuation.

The Enterprise Fund is approximately 1% less than the respective budget for 2019- 2020 fiscal year. This decrease is primary due to a projected decrease in reconnect fees, and late charges due to the order by the State for suspension of these charges. This budget reflects a small increase on the rates for sewer overages only. The FY 2020-2021 budget reflects anticipated revenues and expenditures in the Enterprise fund of \$2,501,142.

New Capital Items/Programs have been kept at an affordable level for the coming FY 2020-2021.

The Capital Items/New Items for the 2020-2021 budget for the General Fund include: A website and Cemetery software for Town Hall, a skate rink for Main Street, the pedestrian bridge project, a leaf and blower assembly for the street sweeper, new LED lighting for the Public Works building,

a loan for two police vehicles and a maintenance brush truck, Brad Ragan restroom rehab, and paving at the following locations (Greenwood Road, English Road, East Peterson Street, Woodland Road, McKinney Road and drain work in Town).

The Capital Items/New Items for the 2020-2021 budget for the Enterprise Fund include: 200 radio reads and meters, CIP Plan, Cemetery storage tank repairs, chemical feed pump, scada system, gas room upgrades, 2 return pumps, oxidation ditch work, belt press parts, polymer tank, Omnisite at the lift stations, disk aerator shaft replacement, and a truck for the sewer department.

The budget includes contributions to outside agencies currently funded. A 12% decrease to Spruce Pine Main Street operations is included, as well as an 8.6% increase in the funding for Library Operations. All other agencies including TRAC, Mitchell County Chamber of Commerce, and Mitchell County Animal Rescue are funded at the level of the 2019-2020 contributions.

Pay adjustments are included in this year's budget. Employee pay is adjusted by a 1.6% COLA. This adjustment is based on the CPI-W (3rd quarter current to prior). Other adjustments include a 1.2% increase in State Retirement costs for the employer. Health Insurance costs have also increased 5% over the 2019-2020 budget levels.

The General Fund budget is balanced with no fund balance appropriation, and \$10,154.00 set aside in a contingency account. The Enterprise Fund is budgeted with a \$56,675.00 appropriation out of fund balance. The amount allocated out of fund balance is a 5.7% decrease compared to the amount allocated in FY 2019-2020.

The Town will continue to move forward addressing the needs and desires of citizens in the most efficient and effective manner possible. I am optimistic about the coming year and look forward to the benefits that our citizens will realize through the improvements the Town will make in FY 2020-2021.

Respectfully Submitted,

Finance Officer

TOWN OF SPRUCE PINE 2020-2021 BUDGET

BUDGET INTRODUCTION

FUND ACCOUNTING

The accounts of the Town of Spruce Pine are organized and operated on the basis of funds. A fund is a grouping of related accounts that have been segregated for specific activities or objectives.

Funds used by local governments can be grouped into two types: governmental funds and proprietary funds. Governmental funds are simply used to account for most governmental-type activities and primarily financed by tax revenues. Proprietary funds are used for activities that operate more like businesses, such as water or sewer operations, where expenses are primarily financed by revenues derived from user charges rather than tax dollars. The Town of Spruce Pine currently uses proprietary governmental and funds primarily, and when needed, Capital Project Funds.

General Fund

The General Fund encompasses most of the town's day-to-day operations. Property taxes are one component of General Fund revenue. Other important General Fund revenue sources are various sales taxes and excise taxes that are distributed to the town by the North Carolina Department of Revenue. Finally, specific user charges such as cemetery fees and privilege license fees are accounted for as General Fund revenues.

All general operating expenditures are budgeted and accounted for in the General Fund. In addition, capital expenditures (purchases of real and personal property assets that have multi-year service lives) are likewise budgeted and accounted for in the General Fund.

The Town of Spruce Pine considers expenditures for fixed assets with a value greater than five thousand dollars (\$5000.00) to be capital expenditures.

Enterprise Fund

The Enterprise Fund is the Town's Water & Sewer Fund. GAAP requires state and local governments to use the Enterprise Fund type to account for "business-type activities" – activities similar to those found in the private sector. Business type activities include services primarily funded through user charges. User Charges in the Enterprise Fund include: water and sewer fees, tap fees, reconnect fees, etc.

Capital Project Funds

Capital Project Funds are used to budget and account for larger capital expenditures that may take place over more than one fiscal year. A large or multi-year capital project is authorized by a Capital Project Ordinance adopted by the town council, and the project is financed through a related Capital Project Fund. The Capital Project Fund may receive transfers from the General or Enterprise Fund, or it may receive funds from other revenue sources such as grants or bond proceeds. Currently the Town has one active capital project fund ordinance. The SRF Loan to fund the sewer line rehabilitation project.

In recent years, the Town of Spruce Pine has established Capital Project Funds to renovate the new town hall, construct the new police department, PRC Industries utility improvements, and the ARC bar screen project.

TOWN OF SPRUCE PINE 2020-2021 BUDGET

BUDGET PREPARATION

The Town of Spruce Pine operates on a fiscal year that runs from July 1st – June 30th. The annual budget process begins with the finance officer working with departmental staff to estimate operating expenditures for the next fiscal year. These estimates usually begin in April.

THE BUDGET ORDINANCE

Under the North Carolina Local Government Budget and Fiscal Control Act, no expenditure may be made by the finance officer or any departmental personnel if that expenditure is not authorized.

The Town of Spruce Pine allows the finance officer to make transfers between objects of expenditure within a department without limitation. Amounts of up to \$1000 may be transferred between departments of the same fund with an official presentation on such transfers at the next regular meeting of the Town Council. Funds may not be transferred between funds or from any contingency appropriation within a fund.
